PSC offers *partial fee assistance only* and players/families are expected to fund the remaining portion of their fees. ***No application will be considered if the player has unpaid fees from a prior season.*** PSC will work with any player/family to assure fees can be paid through a fee payment plan at the start of any season. Failure to pay fees may result in player being dropped from the team and/or withholding of travel player cards. All fees must be paid in full before consideration for fee assistance for the following season. If PSC learns that any player has outstanding fees to another youth soccer club or league in Indiana, PSC reserves the right to reject any fee assistance application until it is established that all outstanding fees to other clubs/leagues have been paid.
- 4 The amount of financial aid and number of players receiving such financial aid is dependent upon the money available in the PSC Fee Assistance Account and is not guaranteed. Fee Assistance =funding is obtained from many sources, including: contributions from PSC families, grant applications, fundraising, and PSC operations, including PikeFest. ***Players/families receiving financial assistance are expected to support PSC's programming by volunteering their time and talent to PSC activities.*** Volunteer participation will be considered in granting fee assistance.
