January 25, 2008

Dear Indy Burn, Indy Burn Plus, and (Fall 2007) PSC Rec u10-u12 Coach,

Thank you for coaching Indy Burn and Pike Soccer Club. I continue to post important information for you on the PSC Coaching Education webpage: <http://www.pikesoccerclub.org/coachinged.shtml>

New this week is the *Indy Burn Curriculum*: <http://www.pikesoccerclub.org/indyburncurriculum.pdf> Will you please read it and we will discuss?

Pike Soccer Club and FC Pride are hosting three NSCAA coaching courses instructed by Indy Burn Coach Isang Jacob and registration is now open. Click on this new item for details and to register: *Pike Soccer Club Hosting NSCAA Coaching Courses*: <http://www.pikesoccerclub.org/newsnscaacourses.shtml> You (Indy Burn, Indy Burn Plus, Pike Soccer Club Rec u10-u12 coaches) are pre-approved and, providing you continue to coach for PSC for another year, PSC will reimburse you for your tuition for these courses. Coach Jacob told me today *the course curriculum is revised* from the PSC hosted Advanced Regional course many PSC coaches took years ago with instructor George Perry. Thus I recommend this course to and for you. It is perfectly fine for you to forward this information to other coaches who may benefit from NSCAA Regional, Advanced Regional or the GK course.

Additional valuable resources are posted, for example, the Coaching page has the **GYM RESERVATION SYSTEM (several open slots remain)** *Reserve Free Indoor Gym Space* <http://www.pikesoccerclub.org/news2008gymtimes.shtml> New Augusta South, Snacks Crossing, Eagle Creek, Deer Run Elementary Schools available for winter indoor training. *Winter 2008 Indy Burn SportZone Schedule* <http://www.pikesoccerclub.org/Sportzone2008.pdf>

Thank you for coaching Pike Soccer Club.

David Proctor
 PSC Technical Director of Coaching
