

Pike Soccer Club

Why Volunteer at Pike Soccer Club?

It's an opportunity for you and your child to give back. Pike Soccer Club needs volunteers to help support its many activities. As every player has a different level of ability and interest so does every parent. PSC needs your experiences to make the best possible soccer and life experience for our children. It takes thousands of hours of work to provide the organization necessary for your officially sanctioned soccer player to step onto a properly prepared and safe field and play at an expected time and place, in a nice uniform, with goals and nets, with referees, with appropriate adult supervision, playing at a developmentally appropriate level, having received the highest quality of appropriate training available.

Ways to volunteer-no experience necessary-training provided

- Field prep – a Saturday morning before the season
- Line a field
- Uniforms – help distribute
- Snack Bar – a few hours a season just before or after your child's game
- Coach your child's team
- Line up a sponsor for your child's team
- Board member or committee member

Every time your child steps out onto a soccer field, he or she is there because literally hundreds of busy people just like you dedicated some time to make it possible. All that is Pike Soccer Club and Indy Burn simply can not happen without the talent and dedication of our parents. What can you do to help? Our soccer players - need you. To volunteer please contact Michael Morrison, Director of Operations, 297-7987 or directoroperations@pikesoccerclub.org.
